COMMUNITY BUILDING    COMMUNITY IMPACT    COMMUNITY LEADERSHIP

### Greetings!

At the Campbellford/Seymour Community Foundation, our sole focus is community. We invite you to check out our [new mobile friendly website](#), which has been updated and reorganized around the "Community" theme - **Community Building**, **Community Impact** and **Community Leadership**.

Our 15th Anniversary celebration continues with this theme through the recognition of exceptional youth in our community, part of our **Community Leadership** initiative. You can read more below about our student awards.

2017 is Canada's 150th anniversary! It's a chance to encourage all Canadians to contribute to their communities in a way that will foster a greater sense of belonging, support meaningful reconciliation and leave a lasting legacy now and for future generations. We are excited to be participating in a cross Canada granting program, and have set aside funds for projects in the Trent Hills community. Get your thinking cap on - We are looking for **Community Impact** projects!

More and more, donors are looking for ways to give effectively and meaningfully to their favourite causes and charities in their community. We are here to help! With a one-stop **Community Building** resource; profiles of local charities, outlining the important work they do.

- **INSPIRE** a deeper understanding about the people, places and events that shape our communities and our country.
- **ENCOURAGE** participation in community initiatives, activities and events to mark the 150th anniversary of confederation.
