

2012 GRANT RECIPIENTS

The following overview highlights the diverse and unique nature of the Community Foundation projects completed in 2012.

Congratulations to our successful 2012 grant recipients!

In an effort to address the specific community need of youth employment, a new grant opportunity was developed. The "Building Community Grant – Job Opportunity for Youth in the not-for-profit sector" is a project based initiative that charitable and not-for-profit organizations can apply to, to provide job opportunities for youth in our community. We are proud to announce that through this building community grant 8.5 jobs for youth were created in our community.
