Pollinator Week Canada

Take part in Pollinator Week June 20 to 26, 2022

Pollinator Week is an annual event celebrated internationally in support of pollinator health. It's a time to celebrate pollinators and spread the word about what we can do to protect them. The great thing about Pollinator Week is that you can celebrate and get involved any way you like! Popular events include planting for pollinators, hosting socially distant garden tours, participating in online bee and butterfly ID workshops, and so much more.

Here are a few resources to check out:

- [The Pollinator Protection Pledge](#)
- [Pollinator Steward Certification](#)
- [Native Plant Finder](#)
- [Ecoregional Planting Guides](#)

However you choose to celebrate this year, be sure to register your event, and share your story by tagging **Pollinator Partnership Canada** on social media using the hashtag #PollinatorWeek.

You can help us support these important community organizations!

As your Community Foundation, we pool the donations we receive into permanent, income-earning endowments, which are then held in trust for the benefit of the community. While the capital is not touched, grants are made from the earnings of these funds to seed, nurture and support vital community initiatives.

A donation or a bequest to the Campbellford/Seymour Community Foundation helps us continue to provide grant funding to the outstanding local organizations in our community. We have a number of **established funds** you can choose from, depending on the cause you would like to support.

There are **many ways to give** - an easy way is by clicking on the button below, which takes you to CanadaHelps, a secure donor portal!
