Community Leadership

Greetings!

After Black Friday comes Giving Tuesday. One is good for the economy, the other is good for the community! We invite you to Give Where You Live.

**Speaking of good for the community, we are proud to announce our first family legacy fund!**

Further down in this newsletter, you will find an invitation to participate in a Vital Conversation about the environment and our community. We hope you will consider joining us at one of two discussions taking place at the Aron Theatre.

## The Glover Family Fund

**The Campbellford/Seymour Community Foundation is excited to announce a 20th anniversary gift from the Glover family.**

The Glover family, Steven and Patty, who reside in Canmore, Alberta, and their son, Russill, who resides in Burnaby, BC with his fiancée Shara, set up this fund through a **donation of securities**, to provide annual grants to organizations and initiatives that support social service groups in Trent Hills. Steven said *"Our family believes in the long-term benefits of endowments to provide support to charitable causes"*. Steven worries that *"many factors are creating challenges for some families currently and these challenges will escalate as the economy, the environment, the job market and the cost of living are impacted by a variety of global issues"*.

## Plant a Seed

**You can set up your own family legacy fund!**

It's one thing to donate to a community organization. It's quite another to make your donation last forever. But you can, and it's surprisingly easy. With an initial donation of \$5,000, your can start a Legacy Fund, you can name it after yourself, your family, your company or

organization, or even in honour of a loved one.

But here's the best part. Each year, a portion of your Legacy Fund's investment income is distributed back into the community to support the cause(s) or organizations you believe in. As your fund grows, the investment income also grows which provides more funding each year for your legacy to have an even greater impact.

Now that's building community!

# GIVING TUESDAY

**This GivingTuesday, November 30, 2021, you can nurture your community by supporting one of our local charities.**

### What is GivingTuesday?

GivingTuesday is the world's largest generosity movement. It was created in 2012 as a simple idea: a day that encourages people to do good: make someone smile, help a neighbour or stranger, show up for an issue you care about, or give some of what you have to those in need. Over the past nine years it has since grown into a global movement, unleashing the power of people and organizations to transform their communities and the world.

GivingTuesday is a time when Canadians, charities, and businesses come together to celebrate giving and participate in activities that support charities and non-profits; to thank, help, give, show kindness, and share what they have with those in need.

**Every act of generosity counts. Everybody has something to give.**

The community foundation created an online resource with profiles of local charities doing life-changing work, making it easy for Trent Hills residents to give.

Charities are listed by cause, and you can view them by choosing a cause that is meaningful to you:
